

# Information Hub Visitor Guidance

Dear Visitor,

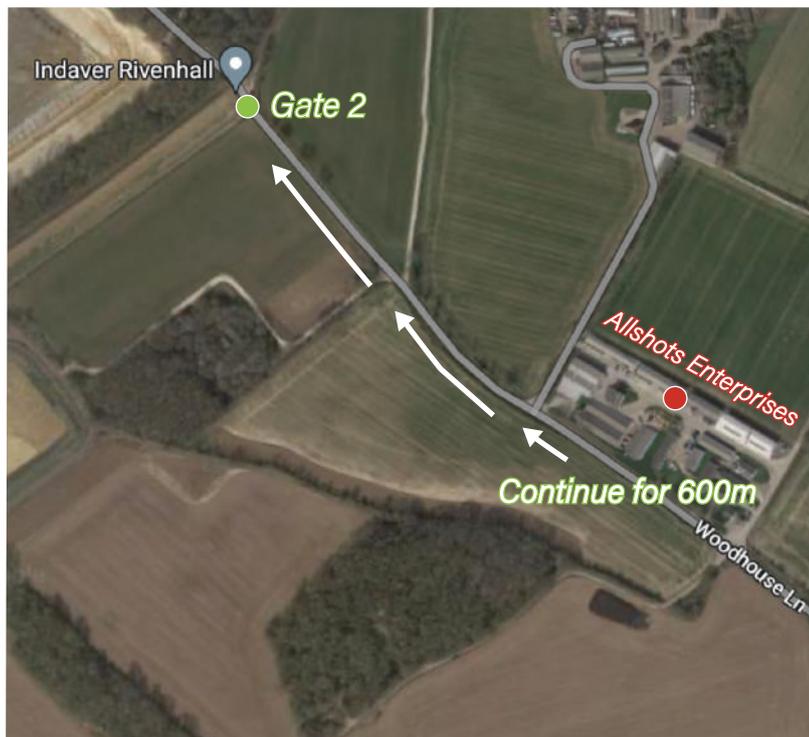

To assist you in preparation for your visit to the Information Hub, Indaver has prepared this Information Hub Visitor Guidance.

The Information Hub Visitor Guidance consists of detailed information re arrival and relevant procedures.

Location: The Information Hub is located on Indaver's Rivenhall IWMF and Energy Centre site in Essex, England.

Address: Woodhouse Farm, Woodhouse Lane, Kelvedon, Essex, CO5 9DF.

The postcode is recommended for visitors and customers coming to the meeting room in the Information Hub. The postcode may take you to Allshotts Enterprises, please continue for 600m until you reach Gate 2, as shown below.

Upon arrival at Gate 2, an Indaver contractor will welcome the visitor. The visitor is required to pull over and sign in. Once signed in, the visitor will be directed to park their car by the Indaver contractor.

**Safety rules:** Consistent with our core value of 'concern for people, safety and the environment', it is our first and highest priority to protect your health and safety during your visit. Visitors to the Information Hub are not required to wear personal protective equipment (PPE) unless they are going to visit the construction site.

If the visitor is going to visit the construction site, they will be required to have a construction site induction and wear appropriate PPE provided by Indaver. Please feel free to bring your own PPE.

For additional queries please contact your regular Indaver contact.

Indaver are happy to welcome you to the Information Hub.

Kind regards,
